Sound Production NPA (level 6)
Photography NPA (level 4/5)
Scientific Technologies NPA (level 6)
Sports Leadership (level 5/6)

- Advanced Higher should only be chosen if tracking performance indicates at least a B grade at Higher. Numbers in these classes are limited.
- Classes will not run unless they have sufficient pupil uptake – please see course choice policy for details.
- Some classes may be run as composite classes (single class containing more than one level) depending on pupil uptake.
- Many N5 options will be timetabled with S4 classes. Those with \*\* will be S5/6 only classes.
- Most Foundation Apprenticeships are only available to S5s and those in S6 who took the option last session (spaces are very limited).
- College/OU courses and Virtual Campus courses require a separate application process and should be discussed with your House Team.
- School College Courses take place at UHI Perth and require time out of school to travel to/from tutorials. These need to be carefully considered with your House Team.
