S5/6 Prelim Timetable

January 2025

What to bring with you

- Black or blue pens (not gel pens because they smudge)
- Pencil cases should be clear, or use a clear sandwich bag
- A calculator only when the exam paper allows
- A clear water bottle
- A French, German, Mandarin or Spanish dictionary for these assessments

Important Information

Seating plans will be displayed in the street the day before your exam so you know where you are going.

If you need an early lunch for an exam, the kitchen will be open all day for cold food options.

Register at TSG before your exam and come to the hall 10 minutes before your paper is due to start.

If you have an additional assessment arrangement, please discuss your bespoke timetable with Miss Richardson.

What not to Bring

- Coats and jackets - put them in your locker
- A mobile phone
- A smart watch
- A calculator if it's not permitted for the exam paper
- Study materials or resources

Hints and tips

- If you forget anything you need to complete the exam or your pen runs out - ask the invigilator.
- Arrive at your exam location 10 minutes before it's due to start.
- If you're not sure where an exam room is, ask the office.
- Put your name, the subject and your class teacher at the top of every piece of paper.
- Take a little time at the start for planning and write clearly.
- You can ask the invigilator how long you have left.
- If you have an additional assessment arrangement like a laptop and you've not been given one, please let the invigilator know before your exam starts.
