Instrumental Introductory Letter for Tuition

ALBA | CHRUTHACHAIL

2022-2023

In recognition of the integral part instrumental music plays in pupils' education and welfare, Scottish Government has announced that **instrumental music lessons will continue to be delivered free of charge.**

The Perth & Kinross Instrumental Music Service offers opportunities for pupils to play a musical instrument and participate in music making with many ensembles, orchestras and bands.

- Pupils learning musical instruments develop a wide range of unique skills, providing a means of fulfilment and enjoyment whilst nurturing a greater understanding of the arts.
- Parents can enjoy and share their child's excitement in learning to play an instrument. Your child performing at a concert will provide you with a great sense of pride and satisfaction.
- Schools will provide opportunities for pupils to enrich their curriculum and the life of the school.
- Instrumental music prepares pupils to make a meaningful contribution towards the artistic life of the community.

The service offers an exciting opportunity to participate in a unique course within education which will benefit all participants for the rest of their lives. Lessons will be delivered on a blended basis of face to face and some digital lessons.

After a short period of time, pupils will also be able to perform in school ensembles and local authority orchestras and bands as well as attending residential music camps. It is strongly advised that pupils receiving tuition in school strive to attend one of these Central Groups as this is recognised as an integral part of tuition.

There are a limited number of spaces for pupils to start tuition on the following instrument/s:

Instrument/sBrass and Percussion.....

Should there be a particularly high demand to learn certain instruments, it may be necessary for the instructor to assess the applications and, it may be the case, that not all applicants will start tuition immediately but it is hoped that an opportunity to commence tuition would arise at some point within the school year.

If you would like your child to apply for an instrument in one of the above instrumental families i.e. brass or percussion, please complete an online registration form via the following link <https://bit.ly/3pKUjZ1> or scan the QR code below, **which will be accessible online from Thursday 1 September 2022.**

Due to high demand, it is advised to apply as soon as possible.

Upon receipt of completed requests for tuition, the Instrumental Staff will review the applications and meet with your child to assess the suitability and compatibility of their chosen instrument.

Applicants will be informed via email with an update regarding their request for tuition.
